

THE NEW NORMAL WORLD

In a world once so familiar, now

Transformed anew,

A paradigm has shifted, creating the “New Normal” view. Faces hidden behind masks, distanced by cautious stance, United in a battle against an unseen circumstance.

No handshake, no embrace, but

Still hearts remain connected, Though physically apart, a shared chance to introspect,

Spirit resurrected. In solitude, we find strength, a

For in this solitude, seeds of resilience are detect.

Through screens and virtual realms, we forge connections strong,

Embracing technology, weaving together a digital throng. Schools transformed to online, work from home becomes the norm,

Adapting to this world, a resilient spirit we transform

Nature breathes a sigh of relief,

as human footprint draws back, Clear skies and cleaner waters, nature’s gentle comeback.

Let’s not forget the lessons taught, as we journey on this plain, To cherish every moment, for life’s brevity we must retain.

In this new normal world,

Compassion lights our way, Helping hands extended, as we Together we stand, resilient and true,

Navigate each day.

Embracing the challenges, for a brighter world we pursue.

Let’s Turn our World Eminent

Prosper, peaceful and Self Reliant.
