Oblivion of caste, creed and religion;

unity of fighters made tumbled Buckingham, Royal London
Empire of the vast land where no sun sets;

ordered troops for Branding of weapons.

Enemy was also very ~~clever~~ clever and tricky;

On the top was divide and rule theory.

Soon, fighters smelt enemy's tricky scents.

People, awakened from every walk of life;

Joined, deserting family, in the street.

British rulers resumed torture and cane
charching;

Sent fighters to jail and killed some by gunning.

Brutality of Britishers rose high;

Indiscriminate firing made the people shy.
