My FAVORITE SPORT

Jumping up in the air,
Waving your arms like you just don't care.
Posing there in the crowd,
While everybody is really loud.

Bouncing the ball up and the down the court,
While the other team really fought.
Letting go with all your might,
Giving the foe such a fright.

Tennis is my favourite sport,
Hitting the ball down and up the court.
Seeing it fly high in the sky,
It lands on my head and brings a tear to my eye.
